

# Texas Impact 5

## **Prospective Sponsors:**

On Saturday, April 19, 2008, "Texas Impact V" Regional Taekwondo Championship assures that your company's message, products and services will reach your target audience.

This is our FORTH year to host this enormous event, and this year it has the makings of being even bigger.

The fact is this; our Spring Tournament is the largest martial arts event that has ever taken place in Tarrant County.

Our Taekwondo family is a very close group. Students and family members feel good about showing support for the companies that support our endeavors should the need arise for that particular product or service.

If you sponsored last year, then you've already seen the benefits. If you missed us last year then now is the time to join our winning team of sponsors.

Please read further and discover the scale and benefits of your sponsorship.
